The White River and Douglas Creek Conservation Districts are accepting proposals for a range monitoring project in Rio Blanco County, CO. The project area will be primarily in the Piceance-East Douglas Herd Management Area and the West Douglas Herd Area on Bureau of Land Management lands within the White River Field Office.

Request for Proposal packages can be downloaded from the District's website at www.whiterivercd.com.

Please contact Callie Hendrickson at 970-878-9838 or email callie.districts@gmail.com for more information or with any questions.

Please submit proposals to:

White River Conservation District

ATTN: Range Monitoring Project

Mailing Address: PO Box 837, Meeker, CO 81641

Physical Address: 351 7th Street, Meeker, CO

Bids must be delivered to the office on or before 5:00 p.m. March 31, 2023.

Proposals will be opened and reviewed by the selection committee at 4:30 on April 13, 2023 at 351 7th St, Meeker, CO 81641 (District office). Interviews may be conducted the following week if needed.
